1:30-4:30

### **Nan McKay HQS Training Day 1 continued**

1:30pm-2:45pm

### **Concurrent Sessions**

#### CR&D

### **Pedestrian Friendly Development**

When the Red Wing HRA and the City of Red Wing worked on the revitalization of Red Wing's downtown in 2008 and 2009, it became apparent that a Great Downtown handles pedestrians, bicyclists and motorized traffic all at the same time. This session will discuss Complete Streets and walkability/bikeability concepts and explain why these concepts are good for our health, our community's economics and the overall live ability of the community. This session will give you the ideas that are catching on across the nation and will become more important as the country moves toward more pedestrian friendly developments.

#### PD

### **How to Prevent Burnout?**

### **Building Stress Hardiness!**

The focus of the session will explore how to survive "stress" at the workplace by building your personal buffer zone. Participants will explore creative strategies for building positive lifestyles that improve stress hardiness. The session will also look at how humor, risk and change can be positive motivators of continuing health promotion and increased quality of life. The session will also identify how to take your job seriously and still live in vibrancy. Guest Speaker: Jean Mershon, Central Lakes College, Brainerd

#### PH

### **"Work Place Safety" -**

### **How to conduct self-inspections**

This session will help identify where your agency's major exposures to staff and tenants exist. Representatives of HAI Group will highlight the basic steps of a self-inspection process. The presentation will also cover and provide copies of the OSHA audit, which is a 19 category examination of an agency's work place safety & health conditions. In addition, HTVN will present "Blood Borne Pathogens" to help you identify these diseases and how to protect yourself, your tenants and your staff against them.

#### S8

### **Housing Choice Voucher 101 (Part 1)**

Are you new to the Housing Choice Voucher (HCV) program? Are you an expert PHA staff member or a new PHA board member? Whatever your understanding and skill level are, this two part course is for you. If you want to learn the basics of the HCV program or if you don't understand how to establish a practical Administrative Plan for your agency, this course will help you. HUD staff will present the A to Z's about Housing Choice Voucher program management, SEMAP, wait list management, rents, portability, etc. Come learn everything you ever wanted to know about the HCV program.

#### CT

### **Housing Choice Voucher 101 (Part 1)**

*See Description under Section 8*

#### RD

### **Introduction to the RD Section 515 program (Part 1)**

Minnesota has the third largest number of USDA Rural Development Section 515 affordable rental properties in the country. Many owners are interested in selling their properties and some are approaching HRA's about acquiring them. This session provides background about the RD Section 515 program, including loan terms, rental assistance, income limits, and other key program guidelines and requirements. This session will prepare you to attend the RD training sessions on Thursday.

#### HR

### **Minnesota Housing's Rehabilitation Loan Program - General TA and Program Feedback (Part 1)**

Minnesota Housing introduced the restructured Rehabilitation Loan Program to its lenders a little over six months ago. Rehabilitation Loan Program lenders are invited to come to this general technical assistance session where they can ask questions about the Rehabilitation Loan Program or the Emergency and Accessibility Loan Program. Now that lenders have had an opportunity to process some loans, Minnesota Housing is interested in program feedback lenders may have. Come prepared with your questions and ideas!

## **Vendor**

1:30pm-2:00pm

### **Retirement Plan Advisors**

#### **Public Sector Retirement Plan Design & Fiduciary Liability**

What are the current and forecasted economic conditions? How can I use professional money management to my advantage?

2:00pm-2:45pm

### **Abdo, Eick & Meyers, LLP**

Learn the strategic advantages of outsourced financial management. Your agency can save money and get the very best financial information to make the best data driven decisions in your agency.

3:00pm-4:30pm

### **Concurrent Sessions**

## **CR&D**

### **Going Beyond Quaint -**

#### **Downtowns as Economic Engines**

America's downtowns were once commercial engines. Today downtowns may be icons of community identity & tourist attractions, but are seldom true centers of commercial and community life. However, the sands of real estate investment are shifting once again. Compelling trends in lifestyles and demographics are bringing renewed focus to downtown settings as vital areas for housing and commercial development. See how Red Wing is at the forefront of this movement and realigning its community development initiatives toward the future.

Guest Speaker: Bruce Chamberlain, ASLA, Vice President of Hoisington Koegler Group

## **PD**

### **Doing More With Less**

In today's work world, both extremes have one thing in common: People are weary and stressed by the rapid pace of change and its accompanying uncertainty. There are two choices: One choice, continue along with business as usual, facing the realization that, despite your best efforts, you are not going to be able accomplish everything you need to. The next choice: Work on efficiency, prioritize work efforts, clearly define service level commitments, and streamline processes. This session will explore five creative steps to being more productive with less time and resources. Topics will include Time Management Strategies, Functional Objectives, Emotional Objectives, Social Objectives and Thinking Outside of the Box.

Guest Speaker: Jean Mershon, Central Lakes College, Brainerd

## **PH**

### **Live Smoke-Free**

New developments are occurring across the state and nation in smoke-free housing. Learn how to keep up with these trends and implement a no-smoking policy. Staff from Live Smoke-Free and the American Lung Association of Minnesota can help your housing authority adopt and implement a smoke-free policy. The services available from both of these programs are FREE, so don't miss out on this exciting opportunity to get all of your questions answered about smoke-free housing!

## **S8**

### **Housing Choice Voucher 101 (Part 2)**

See description on page 1. 1:30-2:25

## **CT**

### **Open Meeting Law / Conflict Resolution**

Most of us know just enough about the open meeting law to be thoroughly confused. This session will address when and how you can close a public meeting, who gets to make that decision and what happens if you don't do it in quite the right way. In addition, we'll have a conversation about conflict resolution and explore effective communication between policy makers and employees at your organization.

Guest Speaker: Tracie Chamberlin, Loss Control Manager, League of Minnesota Cities Insurance Trust

## **RD**

### **Introduction to the RD Section 515 program (Part 2)**

This session will provide potential buyers with an overview of issues to consider when acquiring a Rural Development (RD) property. Topics covered include valuation and sale price, financing options, preservation of rental assistance, market conditions, property conditions, availability of additional RD resources, etc. This session will help you understand how to better align buyer and seller interests, which is key to preserving properties as affordable housing.

## **HR**

### **eDocument Resources**

#### **How to Utilize Document Management & Workflow Technologies to Help Automate Public Housing & Section 8 Work.**

A proud sponsor of the 2010 Spring Minnesota NAHRO Conference, eDocument Resources will showcase how document management & workflow technologies solutions can help agencies which operate public housing and/or section 8 clients check in clients, automate forms, keep front desk workers and supervisors up to date on who is available to see clients and help managers appropriately staff the agency. eDocument Resources know that getting clients the help they need in a timely manner is challenging for most agencies. This INTERACTIVE session will focus on use of software to assist Housing Agencies.

3:45pm-4:30pm

### **Happy Software**

#### **Finding Regulatory Data Electronically**

With the evolution of the Internet, the best source of regulatory data is online, but finding and organizing this data requires a different set of skills. This class explores how to stay on top of regulations without coming near a piece of paper. This session will show you how to search for regs, within regs, and how to have HUD news sent to you.

4:30pm-6:30pm

### **Product and Service Exhibition Reception**

6:30pm

##### **Opportunity City Program**

This session will outline a new kind of housing study. The Urban Land Institute and the Regional Council of Mayors created the Opportunity City Program and selected 5 cities to participate in 2009. With the drastic changes in the housing market, this is a perfect time to review your current housing situation. Come hear about this unique study and the results from the 5 selected cities.

#### **PH**

##### **Public Housing 101 (Part 1)**

Are you new to Public Housing management? Are you a veteran PHA staff member or board member? Either way, this two part course is for you. If you want to learn the basics or refresh your skills and knowledge about managing your public housing, this course will fulfill that need. HUD staff will present the A to Z's about public housing management, regulations, reports, HUD funding, and how to make it all work within your community.

#### **S8**

##### **Portability & EIV: How They Come Together**

Mary Hirsch Justice from Housing Data Systems will start off discussing EIV and how it relates to portability. PHA's will learn their responsibility with 50058's and 52665's and how to correct common portability PIC errors. HUD staff will then discuss the new portability notice and regulations. Denying participant's the ability to port will be a hot topic. Bring your portability/EIV questions and be prepared for a lively discussion!

##### **Housing Choice Voucher Financing**

Do you understand the role of the FMC? Do you have an FMC person to call? Are you thinking that the FMC is related to Colonel Sanders and his secret chicken recipe? Then this course is for you! The FMC is the Financial Management Center at HUD. It is the FMC that oversees and monitors the HCV funding. Your HCV program needs to be monitored at the PHA level to ensure proper utilization of funding dollars. This informal session will provide you time to sit down with a HUD FMC staff member and ask all the questions you may have on your HCV program. Come ready and come loaded with questions. Do you understand your HCV funding? Do you know how to lease within your budget limitations? Do you know how to deal with cost overruns? Are there tools you can use to monitor your program? Come find all the answers at this session.

## **CT**

### **Evaluating Your Executive Director**

Performance evaluations can be a great communication tool between you and your executive director. Conducting regular performance evaluations provides both of you with a structured opportunity to discuss what is going well and not so well. Sample evaluations will be used as we walk through some of the most effective ways to evaluate your executive director. Okay, and just for fun, we'll talk about the mistakes folks most often make when conducting an evaluation.

These package rates include lodging, meals, golf on Madden's Pine Beach East, Pine Beach West & Social 9 courses (golf carts are an additional fee), tennis, croquet, non-motorized boats, use of most resort facilities, service charge and Minnesota sales tax. The Classic, Madden's Championship Golf Course, is available at a Special Conference Rate.

**Pre/Post Stays:** The Association's contracted daily rate will be honored 3 days pre conference as well as 3 days post conference for all attendees. Subject to availability. Call Madden's to make an extended reservation.

**Online Reservations:** Go to <https://res.maddens.com>. Select **Groups** and enter the following codes: Group ID: **#5157** Password: **3052**

**ROOMS:** We will strive to honor your 1<sup>st</sup> choice, however, rooms will be assigned on a first come, first served basis. If we are unable to honor your 1<sup>st</sup> choice, you will be assigned the next choice and charged accordingly. Reservation and housing requests will not be accepted or honored without payment. Any reservation requests received after April 27, 2010 will be accepted on a space available basis only.

**RATES & ROOMMATES:** All rates are per person; the double rate requires two adults sharing a room. Many of our guest rooms are designed for multiple occupancy (up to 4 guests). To fully utilize rooms within your room block, roommates are required to reserve the same conference plan or be subject to the single occupancy rate for the night or nights without a roommate. For your safety and security, Madden's does not assign roommates. If the 2<sup>nd</sup> occupant is not indicated or the 2<sup>nd</sup> occupant does not register, we will assign a single room with a single occupancy rate.
